Re: Nomination Acceptance

It is with humble honour that I accept the nomination to the position of Senior Vice President for Finance and Control, a 2-year term, for the International Board of Directors 2018-2019. As a women entrepreneur with more than 25 year of experience, I was in charge of a construction company in where I demonstrated my ability to manage the administration of the company with contracts of 5.5 million dollars per year. Over the years I develop the ability of control the finances and have the responsibility for all financial aspects of company strategy, analyzing figures and implement recommendations based on these findings, with the most profitable outcomes.

Since 2013, I have been an ICSB active member at the Puerto Rico and Caribbean Affiliate. For this past years I assume various position on the Board of Director culminating in the presidency of the affiliate. I also member of the International Board of Director as an Affiliate Representative, representing Las Américas. I am interested in working with ICSB International Board of Director in order to manage budget, accounting, financial analyses, projections, articles of incorporation, By-laws and other finance related matters assigned by the President, all according to the generally accepted accounting principles (GAAPs). I am fully bilingual, Spanish and English, I support diversity, have a high sense of respect towards multiple cultures, consider myself a resilient leader with the desires to continue developing my skills by accepting the challenges of change, implementing innovation and work with the best practices. I am ready to do an outstanding work as a SVP for Finance and Control.
