HELLO!

I am a VIRUS, cousins with the Flu and the Common Cold

My name is Coronavirus

I love to travel...

and to jump from hand to hand to say Hi.
Have you heard about me?

And how do you feel when you hear my name?

- Relaxed
- Confused
- Worried
- Curious
- Nervous
- Sad
I can understand you feel...

...I would feel the same way
Sometimes adults get worried when they read the news or see me on TV. THAT’S ME!
But I am going to explain myself...

So you can understand...
When I come to visit, I bring...

Difficulty breathing

Fever

Cough
But I don’t stay with people for long, and almost everyone gets better.

Just like when you get a scrape on your knee and it heals.

BYE BYE...
Dont you worry!
The adults who take care of you: ________________________
will keep you safe.
And you can help...

1. By washing your hands with soap and water while singing a song
   - You can sing your favorite song, the happy birthday song, or the alphabet song

2. By using hand sanitizer and letting it dry on your hands
   - Without moving them count to 10
     1, 2, 3, 4, 5, 6, 7, 8, 9, 10
   - Once your hands are dry you can get back to playing!!
If you do all that
I will not come to visit

while the doctors work to find a vaccine
that will allow me to say hi
without getting you sick.
THE END
